

During 2017, exhibits at REM Gallery run for 6 weeks beginning on the first Saturday of month 1, a mid-reception on the first Saturday of month 2, and end on the second to last Friday of month 2 (at 6:00 PM). This is a change from the previous year where shows ran for 7 weeks (up to the last Friday of the month 2). The change was necessary to allow for more time to prepare for the next exhibit. During the exhibition period, as always, REM Gallery is open free to the public on Fridays and Saturdays, noon until 6:00 PM and by appointment (the opening and middle receptions continue to run from 6:00 to 9:00 PM).
